

31 MAY 1977

MEMORANDUM FOR: AD/DCI/IC

FROM: Director of Central Intelligence

May I get a list of all codewords and number of people cleared - in short even more detail than the book prepared for my talk with Vice President.

[Redacted Signature]

Actions to be Taken Under Any Reorganization Plan

1. Establish a Community Collection Coordination Center utilizing the CCF facilities in the Pentagon. Facility to be manned by all Collection Agencies and to replace SIGINT, COMIREX and HUMINT committees. CCC to do all day-to-day tasking - DCI or Secretary of Defense to be chairman (with deciding vote) as designated by President. Only shift in time of crisis or war would be chairmanship.
2. Establish a Community IG with right of access to any activity funded in NFIP.
3. Establish in Executive Order right of access of DCI to any management information held by agencies funded in NFIP, including right to task those agencies to study, retrieve, and otherwise produce appropriate data for budgetary management purposes.
4. Separate DDI from CIA. Amalgamate with NIO.

PREPARATION FOR DISCUSSION WITH  
PRESIDENT ON INTELL PRIORITIES

1. List short titles of KIQs as amended in attached copy.

Preface it with description from Para 2, Question 1.  
Answer as indicated in brackets.

2. Another paper -

Heading - "We also have a master priority list which lists all intelligence requirements in order of priority. Collection, analysis and production also work against this list of over 6,000 items. These items are the product of a matrix 84 categories of political, economic and military information on 157 countries."

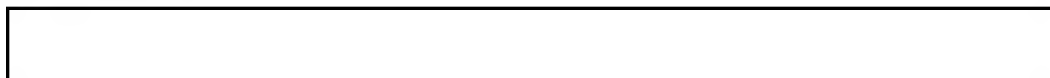

-Insert Figure 1 from Annex A -

Omit "Blank" column  
Change %s accordingly

-Insert Figure 2 -

Merge S&T here and throughout
